

BEST PRACTICE-1:

- 1. Title of the Practice:** Counselling/mentoring students for Civil Services Examination.
- 2. Goal:** Through mentoring, we sought to help students to discover their potential and guide them in pursuing their own career goals. The main aim of this programme was to motivate students towards Civil Services Examination.
- 3. Practice:** The college periodically arranges various career guiding programmes and workshops are arranged with eminent personalities to guide the students. In this regard, "Preparation for Civil Services Examination" was organised on 4th May, 2018 inviting an IAS named Mr. Rohan Kr. Jha. He started the programme with a question that why one should opt for IAS?' and after that discussed on the pattern of the Civil Services Examination in order to enhance the knowledge of the students. At the end of this programme, he gave his valuable insights and views on how to prepare systematically so that students can crack the Civil Services Examinations easily.
- 4. Evidence of Success:** The workshop "Preparation for Civil Services Examination" received a tremendous response with more than 600 participants. Numerous feedbacks have been received and all the participants agreed to the fact that the workshop was highly informative and skill-oriented. Majority of the participants agreed that their overall knowledge level had increased from attending this programme.
- 5. Problems encountered:**
 - Continuous motivation is required as the students are capable of losing their confidence when things do not go in the expected way.
 - More workshops are needed for the cause.
 - Identifying the right skill trainers and coaching institutes to partner with the college to handle the skill.
- 6. Resources required:** A handsome amount is needed to invite heavy weight personality.

BEST PRACTICE-2:

Title of the Practice: Environmental consciousness.

1. **Goal:** This practice emphasizes on the significance of environment and sustainable development.
2. **Objectives:** The sole objective is to generate environmental consciousness among the masses for conservation and sustainable development of natural resources.
3. **The Practice:** This practice not only encourages ethical and human values but also instils a sense of belongingness among the college community. The surroundings of the college inspire the people the desire for environmental peace and encourage a natural connection with the environment. The College, with its green cover and rich biodiversity serves as a natural laboratory for observation.
4. **Impact of the practice:** The field trip organized every year as a part of environmental course is also an effective measure taken by us to make students aware of our biodiversity and its role for environmental protection. Also, on every student gathering we take the opportunity to sensitize the students regarding our environment.
5. **Obstacles:** New plants are to be nurtured softly, but people of the surrounding are not so aware of the importance.
6. **Resources required:** Man power for safeguard the green plantation is required at sufficient.
